Dear Parents,

Friday 12th July is the last chess club for this term. Thank you for supporting chess club in your school. The children have made good progress. We are hoping to compete in our first friendly chess match.

Chess improvement comes from playing many casual games, matches and tournaments. Weekly session consists of structured lesson from our syllabus, interactive puzzle and casual games with analysis.

Planning for Autumn Term 2019:

We are happy to welcome all children from Year 1 or Year 2, whether they are complete beginners or experienced players. **To reserve your place** please send your completed registration form by email and pay online before **12th July 2019**. Please assume confirmation and acceptance when you have completed online payment

There will be 12 sessions from **13th September** to **6th December 2019** (excluding half term on 1st November). Our fee for the term is **£78.00**.

Please note that fees are non-refundable in the event of absences or closure of the school for any reason. May I ask parents that you give me at least a half-term's notice if your child is wishing to leave chess club at the end of the term.

Please try to pay on-line but do use the code for your school. With 600 payments to process, without the correct code it is difficult to track the payment. If you have any further questions please do not hesitate to contact me.
